### Balloting Conditions:

The field for this race will appear on the official weight sheet with a rating provided in brackets. The rating will be provided at the discretion of the Handicapper and, after the declaration of weights, may be adjusted for a horse which has won a race(s) between declaration of weights and the time for final acceptances. If it is necessary to reduce the number of horses which may start, surplus horses shall be eliminated as follows:

**First Out:** Horses which have not received a penalty.

**Second Out:** Horses which have received a penalty commencing with those horses which have received the least penalty.

In each category the horse with the lowest rating shall be eliminated first, followed by the second lowest etc. until the limit is reached.
