**RICHEd** (C. Jones) - approaching the 500 metres was contacted by THE MULTIPLIER, which shifted out slightly, had its hindquarters turned, and was hampered as a consequence.

**THE MULTIPLIER** (T. Pannell) - which proved fractious in its barrier stall, was awkward and slow to begin. Shortly after the start was tightened between CHOSEN BLONDE, which shifted in, and YULE MY HERO. Approaching the 500 metres was brushed by SMOKIN' VAL to its inside, which attempted to shift out, and shifted out slightly as a consequence and contacted the hindquarters of RICHEd. As a further consequence THE MULTIPLIER was hampered in the incident.

**YULE MY HERO** (S. Logan) - approaching the 500 metres got its head up and raced ungenerously for a number of strides. Near the 200 metres became awkwardly placed on the heels of RICHEd and was obliged to shift in to obtain clear running.

Approaching the 500 metres attempted to shift out and brushed THE MULTIPLIER, which became awkward and contacted the hindquarters of RICHEd, which raced to its immediate outside. Held up for clear running from in the vicinity of the 500 metres until approaching the 300 metres. A post-race veterinary examination revealed no visible abnormalities.

### **RACE 1: MAGIC MILLIONS 2YO SALE HANDICAP - 1100 Metres (Cont'd)**

When questioned about his instructions for today's event and in relation to the filly's performance, K. Zechner advised that he was given no specific instructions but to allow the filly to settle where comfortable. He stated that he anticipated FREE TO DANCE would lead in the event and was mindful to not change the racing pattern in relation to his filly, when compared to its first start, and to allow it to settle behind the lead. He added that whilst he was able to obtain cover behind FREE TO DANCE, the filly commenced to over-race for some distance racing to the 700 metres. He added, thereafter he had attempted to obtain a position to the outside of FREE TO DANCE and follow CHOSEN BLONDE with a view to improve to the outside of CHOSEN BLONDE; however, approaching the 500 metres, owing to the position of THE MULTIPLIER he was unable to improve to the outside of CHOSEN BLONDE, brushed with THE MULTIPLIER, and was obliged to be held up behind CHOSEN BLONDE, and as a consequence was unable to test his mount until after straightening and approaching the 300 metres, where he was able to obtain clear running. He added that the filly, in his opinion, did not finish the race off as expected.

### **RACE 2: PLYMPTON CRASH REPAIRS MAIDEN PLATE - 1200 Metres**

**APPLIED** (D. Tourneur) - raced keenly in the early stages of the event. Inside the 300 metres was obliged to alter course and shifted to the inside of MUSTARI after becoming awkward on the heels of that runner, which shifted out and away from FRANKIE PINOT to its inside. Thereafter, inside the 100 metres, was obliged to race in restricted room between MUSTARI, which shifted in slightly, and LYRICKIN'S DREAM, which shifted out slightly, and was unable to be tested over the final 50 metres of the event.

**FRANKIE PINOT** (B. Vorster) - inside the 300 metres shifted out to improve and contacted MUSTARI. Shortly thereafter continued to shift out resulting in MUSTARI shifting out and away from FRANKIE PINOT into the running line of APPLIED, which was obliged to alter course. Rider was severely reprimanded and advised to take greater care when shifting ground in future.

**ARCTIC FLORA** (S. Logan) - on arrival at the barriers was examined by the Veterinary Surgeon who reported that the mare was lame in its near foreleg. Rider was reprimanded and advised to take greater care when shifting ground in future.

**RITORNO** (S. Cahill) - a post-race veterinary examination revealed the gelding to be lame in the near foreleg. First aid was administered. Trainer, Mr C. Reardon, was advised that a Veterinary Certificate of Fitness was required prior to a future trial or race start.
