RACE 1 : JAMES BOAGS PREMIUM TWO-YEAR-OLD PLATE - 1000 metres

ECLAIR SUNSHINE (D. Tourneur) – rider explained he had no specific instructions but to allow the gelding to settle where comfortable. He added he was able to settle outside the leader and was comfortable with his position in running in the early stages but stated that at the entrance to the straight, the gelding appeared off the bit and he had to encourage his mount to pick up the bridle and thereafter the gelding, in a strong sprint home with the winner, finished the race off very well. He also added that despite being taken out approximately half a horse approaching the 100 metres by CARUSMATIC as that filly rolled out slightly, the gelding had every opportunity to finish the event off. He also stated in his opinion the gelding may be better suited to racing over more ground, having regard for the manner in which it finished the event off. A post-race veterinary examination revealed no visible abnormalities.

RACE 2: WOLF BLASS & ASSOCIATES HANDICAP – 1250 metres

POSH JOURNEY (E. Boyd) – laid in, in the straight and shifted in inside the 200 metres and inconvenienced MISS IDENTIFIED. A post-race veterinary examination revealed no visible abnormalities.

NORTH SKY (M. Neilson) – held up for clear running from in the vicinity of the 500 metres until inside the 300 metres. Rider explained he was unable to obtain a position one out, one back in the early stages owing to the position of JET EXPRESS and SKALARM and as a consequence was obliged to settle a little bit further back than intended. He added approaching the home turn he became held up for running and was unable to improve his position until shortly after the entrance to the straight. He further added the gelding only finished the race off fairly and did not finish off in a manner he had expected. A post-race veterinary examination revealed no visible abnormalities.

SKALARM (M. Poon) – rider explained his instructions were to obtain a forward position and attempt to sit outside JET EXPRESS if that gelding was able to take up a forward position. He stated after beginning a little slow, he encouraged his mount owing to the fact there was no apparent pace to his inside, attempted to take up a position outside JET EXPRESS but was then conscious of the fact that ALMADRAM had improved to the inside of JET EXPRESS and as a consequence he was trapped three wide without cover. As a consequence, he attempted to come back and take cover behind JET EXPRESS but was unable to do so, owing to the position of NORTH SKY and was obliged to race wide without cover for some distance.
