**RULER BY CHOICE** (J. Holder) - awkward to begin, shifted out at the start and brushed with **PICARGO**, which was taken in by **JUSTEDEE**, which began awkwardly and shifted in. As a consequence was taken in and tightened onto **LUNAR LIGHT**. A post-race veterinary examination revealed no visible abnormalities.

**RACE 2: FURPHY THREE-YEAR-OLD MAIDEN PLATE - 1050 metres**

**BLUDOG** (D. Tourneur) - held up for clear running from near the 400 metres until inside the 300 metres.

**CLASSY JAYBEE** (S. Fawke) - shortly after the start became awkwardly placed on the heels of **NEVER YOU MIND** for several strides. Thereafter raced greenly during the event and rounding the home turn became awkwardly placed inside the heels of **NEVER YOU MIND** for a short distance and after entering the straight was obliged to shift out wider to obtain clear running. Rider reported the gelding raced greenly throughout the event.

**GRINZINGER BREW (NZ)** (A. Jordsjo) - a post-race veterinary examination revealed no visible abnormalities.

**NEVER YOU MIND** (T. Pannell) - a post-race veterinary examination revealed the gelding had lost part of its off fore hoof where filling had been applied and as a consequence was lame in the off foreleg. Trainer Mr J. Hyam was advised a Veterinary Certificate of Fitness would be required prior to presenting the horse for a future trial or race.

**RACE 2: FURPHY THREE-YEAR-OLD MAIDEN PLATE - 1050 metres (Cont'd)**

**RACE 3: AAMI MAIDEN PLATE - 1600 metres**

**GO BEYOND** (P. Gatt) - raced keenly in the early stages of the event. Near the 200 metres was inconvenienced and had to be momentarily steadied as **STAYING STRONG** shifted out abruptly to obtain clear running.

**PORTAMAGGIORE** (L. Neindorf) - knuckled shortly after the start. A post-race veterinary examination revealed no visible abnormalities.

**STAYING STRONG** (J. Chau) - had difficulty obtaining clear running from approaching the 400 metres and thereafter held up from near the entrance to the straight when racing behind **PORTAMAGGIORE**, shifted out near the 300 metres and after being ridden hands and heels for a short distance, near the 200 metres shifted out abruptly to obtain clear running and momentarily inconvenienced **GO BEYOND**, which had to be momentarily steadied. Rider reprimanded and advised to take greater care when shifting ground to improve his position. Rider explained that approaching the 400 metres, after initially attempting to improve his position to the outside of **PLYMPTON**, having regard for the formation of the field and **GO BEYOND** to the outside of **PLYMPTON** and that horse's tendency to give ground, he considered his best option would be to improve his position to the inside of **PLYMPTON** and for that reason altered course to the inside of that gelding.

**WESTPORT** (J. Holder) - after being slightly slow to begin, attempted to buck shortly after the start and then got its head up and raced very erratically for a short distance, placing its rider at a disadvantage, lost considerable ground and as a consequence took no competitive part in the event from near the 700 metres. Rider explained after the horse attempted to buck, it threw its head up and became very erratic, resulting in him being unable to fully assist his mount in running. He added that as a consequence the saddle shifted back slightly on the horse. Co-Trainer Mr C. McEvoy was advised that in view of the filly's racing manners it would be required to race tractably and competitively, and to the Stewards satisfaction in an Official Barrier Trial prior to accepting for a future race. A post-race veterinary examination revealed no visible abnormalities.

**ATOMIC LOKADE** (T. Voorham) - underwent a pre-race veterinary examination and was passed fit to race. Awkward to begin and was slow into stride.

**THOMPSON'S REWARD** (P. Gatt) - Stewards permitted P. Gatt to ride the gelding 0.5 kg over its declared weight of 54 kg.
